

### **Lutron Electronics Announces Winners of 2005 Excellence Awards**

Coopersburg, PA (September 9, 2005) — Lutron Electronics Co., Inc. announced the winners of their 2005 Excellence Awards at a ceremony held September 8 at the Indiana State Museum. Winners received a recognition award and will have a logo added to their company listing on the Lutron website.

The Excellence Awards honor a select group of Lutron's residential systems providers for outstanding HomeWorks® projects completed between June 1, 2004 and June 30, 2005. A panel of industry journalists judged dozens of submissions and selected a total of 12 award winners.

The following 12 awards were presented at the 2005 Excellence Awards ceremony:

- Best Documentation—Design Systems, Ltd. (Pearl City, HI)
- Best Dressed System—Doherty Design Group (Indianapolis, IN)
- Best Integration with Third-Party Equipment—Spire Integrated Systems (Pleasant Ridge, MI)
- Best International Project—Ultigratation (Bangkok, Thailand)
- Best Total Light Control Project—Terra Nova Integrated Systems (Waukesha, WI)
- Best 4 Series Project—Ambiance Systems (Clifton Park, NY)
- Largest Lutron System—The Electrix Company (Montrose, CA)
- Largest RF System—Soundvision (Novato, CA)
- Most Unique Programming—Integrated Media Systems (Sterling, VA)
- Most Unique Shade Installation—All Pro Sound (Pensacola, FL)
- Most Unique Wired Installation—Future Home Systems and Design (Fresno, CA)
- Most Unique Wireless Installation—Doherty Design Group (Indianapolis, IN)
