

### **Lutron Electronics Announces Winners of 2006 Excellence Awards**

Coopersburg, PA (September 14, 2006) – Lutron Electronics Co., Inc. announced the winners of their 2006 Excellence Awards at a ceremony held September 14 at INVESCO Field at Mile High Stadium in Denver, Colorado. The awards were presented on the opening day of the Custom Electronics Design and Installation (CEDIA) Expo.

Winners received a recognition award and will have a special logo added to their company listing on the Lutron Web site ([www.lutron.com](http://www.lutron.com)). The Excellence Awards honor a select group of Lutron's residential systems providers for outstanding HomeWorks® projects completed between June 1, 2005 and June 30, 2006.

Industry journalists judged dozens of submissions and selected a total of 11 award winners. The following 11 awards were presented at the 2006 Excellence Awards ceremony:

- Best Total Light Control Project – Doherty Design Group (Indianapolis, IN)
- Most Unique Shade Installation – Automation Authority (Edmonton, Alberta)
- Most Unique Wireless Installation – Amnet Systems (Stamford, CT)
- Best Dressed System – Doherty Design Group (Indianapolis, IN)
- Best Homeowner Documentation – Electronics Design Group (Piscataway, NJ)
- Most Unique Wired Installation – Doherty Design Group (Indianapolis, IN)
- Largest RF System – The Electrix Company (Montrose, CA)
- Most Unique Programming – Gramophone (Columbia, MD)
- Best International Project – Acoustic Design (Moscow, Russia)
- Best Integration with Third-Party Equipment – Gramophone (Columbia, MD)
- Largest Lutron System – Doherty Design Group (Indianapolis, IN)
